PX VS EM

PX VS EM

An **em** unit is a relative unit of measurement based on the parent element.

1em = fontsize
2em = 2 x fontsize

PX VS EM

1em is equal to the font-size of the **element in question**.

So when using it with margins,
it will be equivalent to the font-size of the element
you're applying the margin too.

PX VS EM

CSS

The diagram illustrates the vertical alignment of the text 'CSS' within a gray rectangular container. Three double-headed vertical arrows indicate the following measurements:

- A top arrow labeled '0.5 em' spans from the top of the 'C' to the top of the 'S'.
- A middle arrow labeled '0.1 em' spans from the top of the 'S' to the top of the 'S'.
- A bottom arrow labeled '0.5 em' spans from the bottom of the 'C' to the bottom of the 'S'.

PX VS EM

```
.exampleDiv{  
  font-size: 16px;  
  margin-top: 0.5em /* 8px */  
  margin-bottom: 0.5em /* 8px */  
}
```

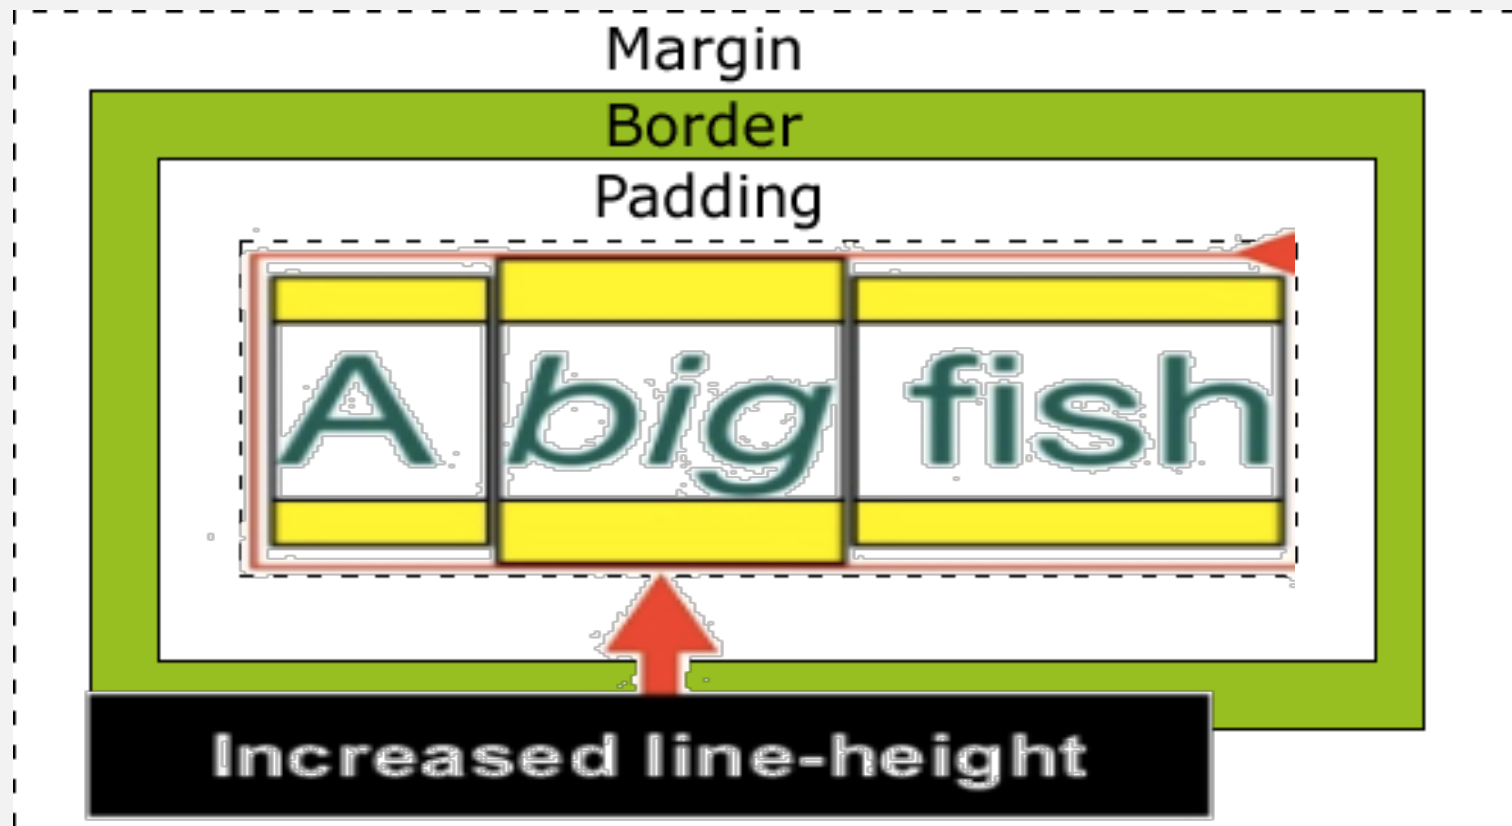

PX VS EM

```
body{
  font: 100%/1.5 serif; /* 16px, browser default */
}
h1{
  font-size: 2em; /* 32px */
}

@media (min-width: 600px) {
  body {
    font: 112.5%; /* 18px */
  }
  h1 {
    /* Do nothing! I'll automatically be 36px */
  }
}
```

PLAYTIME

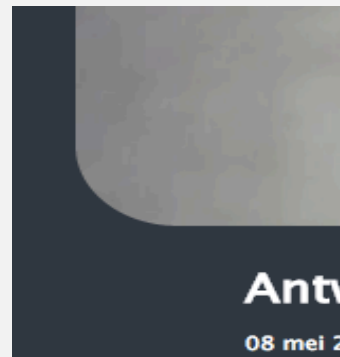

Antwoord van de directeur-generaal op mediaberichten

08 mei 2016

Zoals velen van jullie was ik op woensdagmorgen onaangenaam verrast door de koptitel en de teneur van de eerste drie pagina's in De Morgen. Vanuit het verengende oogpunt van de islam werd er ons project van de katholieke dialoogschool voorgesteld, en werden concrete casussen, gesprokkeld uit een tweetal telefoongesprekken met de betrokken journalist, over religieuze kentekens, stille ruimtes en koranlessen opgevoerd als hét nieuwe beleid van Katholiek Onderwijs Vlaanderen. Wie het artikel wel volledig gelezen heeft, zal uiteraard gemerkt hebben welke tekstfragmenten werkelijk van mij kwamen en wat door de redactie van De Morgen werd aangevuld. Zeer contextbetrokken voorbeelden werden uitvergroot, en samen met de exclusieve focus op de islam, op Vlaanderen losgelaten. Uiteraard betreur ik dit ten zeerste.

Aanleiding voor beide telefoongesprekken met de journalist (één ervan twee weken geleden en één vorige dinsdag), was zijn vraag naar meer achtergrond bij de aangekondigde plannen van onze katholieke hogescholen om hun aanbod in de
